LINING OUT STOCK

TO THE TRADE ONLY

We book all Orders with the understanding that same shall be Void should injury befall the stock from Flood, Drought, Fire, Frost or other causes beyond control.

We exercise the greatest care to keep our varieties pure and true to name, and hold ourselves in readiness at all times to replace on another proof, all stock that may prove otherwise, or refund the amount paid. But it is mutually agreed between the purchaser and ourselves that we shall not at any time be liable for any amount greater than the original price.

JUL 6 1931

Stocks from beds or field will be puddled and well-bagged in moss, and that from pots carefully wrapped so as to reach you in first class condition.

We recommend that orders for Lining Out Stock go forward by express, and in absence of definite instructions they will be shipped in that manner.

On orders for one thousand or more of one variety you may deduct one cent each from the list price provided it is \$8.00 or more per hundred, or if less than \$8.00 deduct one half cent.

We allow 3% discount and box free when cash accompanies order.

PLEASE NOTE. In this list "C" indicates stock grown from cuttings and "S" from seed. "O" indicates never transplanted, and each "T" one transplanting.
